Valuation / FDA$ 5900.00 **Materials cost $** 2700.00
FDA = Fee Determination Assessment (Also known as the value of project) has no relationship to the construction costs for the building which can vary greatly. Rather, the Assessment is used only to determine the appropriate level of fees to fund our code compliance activities.
Describe the work you will be doing: Relocating sprinklers to accomodate new ceiling grid. Changing sprinklers from semi-recessed to concealed.

I declare under penalty that this application has been examined by me, and that the statements made herein are made in good faith pursuant to City of Aurora tax and licensing regulations; and to the best of my knowledge and belief are true, correct and complete.

Print Name: Dave Walker **Signature:** Dave Walker **Date:** 5/31/12

BOARD OF APPEALS - Contractor's Appeals and Standards Board Applicants have the right to have the board hear appeals of orders, decisions or determinations made by the building official relative to the application and interpretation of the building code. Any application for appeal to the board shall be based on a claim that the true intent of the code or the rules legally adopted there under have been incorrectly interpreted, the provisions of the building code do not fully apply or an equally good or better form of construction is proposed.

Sprinkler & Alarm permits are separate submittals, and the value is NOT included on main permit.
